NATIONAL BANK

Ashley H. Cooke III

Ashley serves as the Chief Operating Officer of Commonwealth National Bank, where he oversees all business operations and works closely with department leaders to ensure efficient, compliant, and customer-focused execution of the bank's strategic objectives.

Prior to joining Commonwealth, Ashley served as a Team Lead at Bernstein Private Wealth Management in Tampa, Florida, where he provided comprehensive wealth management and financial planning advice to high-net-worth clients.

Ashley is a graduate of the University of Notre Dame and a current student at the Graduate School of Banking at Louisiana State University (LSU). He also serves on the Board of Directors of the Capital Good Fund, a national nonprofit Community Development Financial Institution (CDFI) dedicated to creating equitable access to capital and financial empowerment.

Deeply engaged in his community, Ashley has volunteered with numerous local organizations, including the Boys & Girls Club, Jack & Jill of America, and several area elementary and middle schools. He is also a graduate of Connect Mobile, a leadership development program designed to connect and cultivate emerging leaders across the Mobile region.

Outside of work, Ashley enjoys cooking, cheering on his Notre Dame & Tampa sports teams, and spending time with his mini poodle, Donut—but his favorite role is being Dad to his daughter, Bella.
