

# **Clarence Johnson Jr. - President of Bama Pest Control, Inc.**

**Founded in 1980**

- Native of Mobile, Alabama. A product of the Mobile County Public School System, proud graduate of the 1967 class of Central High School, Wildcats.
- Attended Bishop State Jr College for Pre-Law
- Vietnam Era Veteran
- Certified Pest Management Operator, in the area of household, industrial, and institutional pest management. As well as, certified in wood destroying organisms. I learned all aspects of the operations side of the business while working at Orkin for three plus years. I am a member of the Executive and Strategic Planning Teams at the company. My duties include the management of the organization's Human Resource strategic initiatives, objectives and functions, which include benefits, recruiting and the company's intern program. Hired many employees from the SWAPE (formally Mobile Career Center), Hospitality Industry, and through customer referrals.

## Accomplishments

Member of the National Pest Management Association, Alabama Pest Control Association, Board member of Mobile Area Chamber of Commerce, City of Mobile Industrial Development Board, three time Eagle Award winner and Hall of Fame Award winner, Ordained Elder, and Bible Studies Teacher. Former Board member of YMCA –Dearborn Branch and A Servants Love.

## Values

To be a pillar in my family, church, and community. My purpose is to serve God, family, and humanity. Building a legacy for the next generation of Bama Pest Control Inc.

## Family

Married to Ruthie Johnson with four children, a host of grandchildren, and great-grandchildren. Enjoy helping direct other potential entrepreneurs succeed in the business world. This task is accomplished by modeling, communicating, making myself available, and empower proper business techniques. I enjoy spending quality time with my family, friends, and traveling.

**Without faith, nothing is possible. With it, nothing is impossible.** By: Mary McLeod Bethune
